“Arlene will be missed by so many people who were recipients of her kindness and service, especially the Class of 1943. Each year Arlene would contact me in the Alumni Office to plan her next class reunion. She would update her class list, donate to numerous charitable funds, and attend the Class Agent Workshop to share ideas with other classes about reunions. She always had great ideas on how to make all class members welcome at reunions. She was a delight to work with and a sweet lady who wanted everyone to be happy. When we lose a "McCaskey Family" member, all graduates of McCaskey are saddened. I am so happy I had a chance to know Arlene.

“ I miss hearing your voice this morning and you reading the weather report to me. Some times you never know the true value of a moment until it becomes a memory. There will always be a reason why you meet people, either you need them to change your life or you are the one that will change theirs.
