“ Oh my where do I start! Beth Marie to me.. I was brought to Beth Marie thru a connection. I'm a nurse. She and I became very close friends. I adored her. Probably one of the strongest women I know besides my dearest mother. (She reminded me of her) Beth Marie was a very kind soul! She shared many memories with me that make me Believe that she enjoyed LIFE! She loved her plants! I diligently took care of them and SURPRISE we got beautiful flowers! I showed her the BEAUTY every time I was with her. She smiled and said” Awwwww they are beautiful! I made her home cooked meals ! She always looked forward to that meal of mystery!!! She would say “ That's the Best meal yet” She ate things she never had before! Haaaaaaa. We learned a lot from each other. Her past always AMAZED me! She was adventurous and full of knowledge. Only one topic that she and I would bump heads on!!! POLITICAL BS!!!! We shared the passion for football! GO EAGLES!! I would dress her in a EAGLES sweatshirt . She amazed me when I heard about her bridge stories. A great group of friends. Our times together will be cherished! She was an AMAZING WOMEN. I was BLESSED to be her nurse. I MISS HER DEEPLY!❤️

“ Beth was my mother's BFF for more than 75 years. They met in Junior High School and were friends for life! They carried each other through the ups and downs, the highs and lows of life. Personally, I always considered Beth to be my mom's "Fun" friend. Always up for an adventure. Nothing tripped her up. Every conversation end with "I love you Beth" "Love you too Kendal"
She was an amazing lady and her loss is going to leave such a hole for all who knew and loved her.
Prayers to the family . . . it has been many years, but the love has never diminished.
