“ Dear Dr. McCann,

*"Every blade in the field-
Every leaf in the forest-
lays down its life in its season as beautifully as it was taken up".
Henry David Thoreau*

*Bev and I worked together in the Critical Care unit in the mid 70s.
She was a very dedicated nurse--kind, and full of fun.*

My prayers are with you as you adjust to her passing.

Fondly, Jeany

I pray God will give you comfort in dealing with Bev's passing. I'm sure she's waiting with you with golden wings in a wonderful place that has no pain and no sorrow as is promised to us in the Good Book! You've always been one of the most patient and kindest going way back to M2G2 - and that's a long time ago! The best is yet to come when we all come together again!!
