“ My sincere condolences to Shirley and family at the passing of your mother. I remember when your family lived on Locust St across from Betty Matthew's aunt and Bobby Thomas. I always said how much you looked like your Mom. God blessed her with a long life filled with family. What a blessing. God bless you and your family as you mourn her passing. I pray that God and your memories will bring comfort. Sympathy, Love & Peace. Shirley Jones

“ I am so sorry for your loss. What a long life Caroline lived! I know family was important to her, and she got to know more generations of her family than most people do. I remember Caroline as she worked for my husband's family for many years. She was incredibly skilled at any household task! May you find peace as you share your memories of her.

“*Caroline must have been the oldest person living here in Lancaster Pa! How amazing she was able to live at the end of a century, through a century and then go home to the Lord the beginning of a new century. I am sure she was a good woman and touched all the lives of those around her and was able to tell stories of how life was at one time. Blessings to the family. Good bye-Caroline.*
