

Darrell Reid Peck

April 2, 2017

Darrell Reid Peck, faithful son of God, went to heaven on Sunday, April 2, 2017. Born April 10, 1956, he was forever a loving and caring husband to Karen who had the blessing of sharing 37 years of marriage. His two children, Ashley and Clayton, were the joy of his life and were deeply loved by their father. He made a difference to many during his time on this earth and will be missed by his mother, Joann, sister, Sandy and her husband, Frank Beam, brother, Chris, as well as sister-in-law, Mary-Jo and her husband, Ed Shearer, father and mother-in-law, Bob and Mary Chalfant, and Lynn his newly-welcomed and deeply loved daughter-in-law. When he received his diagnosis of ALS, his first comment was, "I just want to do it well." We are sure that Jesus welcomed him into heaven saying, "Well done, my faithful one."

“ Dear Karen and family,
My heart goes out to you as we all grieve our recent losses. We went from wives to widows within two weeks of each other. Our husbands were courageous men who accepted their fate and dealt with it nobly and with faith. We became their champions and fought as valiantly they did. We can hate ALS, we can mourn and be sad, but we can also rejoice they are no longer trapped in bodies that imprison them and they have new bodies and are walking with Jesus! I can only imagine how awesome that is! I am so relieved they are no longer suffering. I'm so glad we know the God of all comfort. I'm leaning heavily on Him. Through all of this He has been faithful.

Love and blessings,
