“ *I am sorry for your lost as I know my parents would be if they were still with us. I remember my parents saying they were the 1st to be married by Rev. Mark @ Faith United Church on Duke and Green St. (Carl Pearl & Beulah Buch - 10/24/53). I was baptized by Rev. Mark in 1954. My grandparents lived across from the church for many years, and my grandmother (Helen Buch) was very active in the church and spent many hours with Rev. Mark. You and your family are in my thoughts and prayers during this time.*

“ *Mrs. Mark and Family,
I'm sending all of you sincerest condolences at this time of loss from the Gerald Kelley family, former long-time members of Faith United Church of Christ. I was six years old when Rev. Mark became our pastor at the original church on S. Duke and Green Streets. He also officiated at my wedding in 1966. I remember him as being a quiet and gentle man with a warm smile. I know you all will miss him dearly. God Bless!*

“ Louise and Family,
Praying for you and your family during this sad time. I got to know you and David during the time my dad, Clarence was at the Mennonite Home. I would leave school and drive to the MH. During supper I would sit at the same table with David. It was a pleasure to help him and the other men at my dad's table. We would often wait a long time until they were served and it was during those times I would listen to him share about his life journey. I kind of got to know what he liked to eat. I knew that his family was special to him. It made me aware about how quickly life seems to pass. Louise you were faithful and kind. I could tell that David led a very active life and I am sure it was an adjustment for him to have to wait on others and get around in a wheelchair. I took time this morning to just sit and think about David and Hank. They had taught me so much about life and their work during those conversations. It gave me pause to stop and think about where I would spend eternity. A very important decision to make in this life. I remember your son and his wife were both music teachers. I don't know if their schools were closed for the rest of the school year. A month ago nobody knew this would be coming. I knew you had two grandsons. I remember around David's birthday last year his grandson got married. I am so glad I got to know you during the time my dad was at the MH. You and your family will be in our prayers.
Audrey, the middle daughter of Clarence
