In Loving Memory of Doris V. Wolf

February 9, 1931 – September 8, 2025

With profound sadness and deep love, we announce the passing of Doris V. Wolf, who left this world peacefully on Monday, September 8, 2025, at the age of 94.

Doris was a remarkable woman whose life was a testament to love, resilience, and unwavering devotion to her family. Born in 1931, she spent 94 beautiful years enriching the lives of everyone fortunate enough to know her. She was preceded in death by her beloved sons, Thomas Wolf II and Timothy Wolf, whose memories she carried in her heart every day.

She is survived by her devoted husband of 76 years, Thomas O. Wolf Sr., her loving son Terry Wolf, and her cherished grandchildren: Thomas Wolf III, Tammy Holmes, and Thad Wolf. Doris also leaves behind a legacy of nine great-grandchildren and thirteen great-great-grandchildren, all of whom she nurtured, inspired, and adored.

Doris was the heart of her family — a guiding light whose warmth and wisdom shaped generations. She dedicated her life to educating and adventuring with her grandchildren, instilling in them a love for learning, laughter, and life's

simple joys. Whether it was celebrating a milestone, encouraging a new endeavor, or simply sharing a quiet moment, Doris was always present with open arms and an open heart.

Her carefree spirit, boundless love, and infectious joy touched everyone she met. She had a gift for making people feel seen, heard, and valued. Doris was the first to cheer you on, the one who believed in you when you didn't believe in yourself, and the soul who found beauty in everyday moments. She opened her door at any hour, offering a plate of food and a listening ear, inviting you to share your story without hesitation or fear. Her kindness knew no bounds, and her warmth was a sanctuary for the soul.

Her legacy lives on in the stories told around family tables, in the traditions passed down, and in the hearts of those who continue to carry her love forward. Doris V. Wolf will be forever remembered, deeply missed, and eternally celebrated.

A Graveside Service will be held at Conestoga Memorial Park, 95 Second Lock Road, Lancaster, PA, on Thursday, September 18, 2025, at 11:00 a.m. Flowers can be sent to The Groffs Family Funeral Home, 528 W. Orange Street, Lancaster, PA.

“ I remember Doris so very well. I am the oldest daughter of Al and Helen Green, who were great friends of both Doris and Tom. I recall many gatherings and Doris was always so lovely and had the most beautiful smile. I send lots of love and condolences to Tom and her family. I am sorry not to be able to attend her service as I am now living in Tucson, but read about her passing in LNP. Hugs, Brenda Green Smoker

“ I remember Doris fondly from working at Andy's Catering. She was a warm kind woman who made everyone feel special. I was a teenager when I started working with her. She was so patient with me. I'm glad I knew her. Rest in peace sweet lady. Wendy Sirbak Kingsford

“ Tom, you and my dad were hunting and fishing buddies back in your Pepco/Burnham days. As a kid, I had the opportunity to spend time with my dad, you and Doris a time or two at your cabin near State College. While it is probably been more than 55 years, and those times were few, I still have good memories of those times. I especially remember Doris for her warmth and her kindness. I am sorry for your loss; may Doris be at peace.

“ *You can't put it any better than what was written about her..Her Smile The twinkle in her eyes that would light up when she would see you was special and the amount of love when she hugged you was soul touching Everytime.She was always present with you in the moment asking you how you been and made you feel like there wasn't anyone else in the room for that split second and made you feel special.So yes she made you feel heard and showed everyone she genuinely cared about you all before you got the chance to ask and talk about her.My thoughts and prayers are with Uncle Tom and the rest of the family.Well Will Forever miss you Aunt Doris.,Love Brandon Klugh*

“ Thank you Aunt Dory! Thank you for sharing your wisdom through five generations. You taught us how to be strong yet thoughtful, down to earth and grounded, imaginative and creative, fun, playful, and the importance of compassion. I will listen for your voice as I wait for Santa on Christmas Eve. I will miss you and carry you in my heart always!
