

Edward E. "Ed" Mummert

October 31, 2021

Edward E. "Ed" Mummert, 83, of Lancaster, PA, passed away on Sunday, October 31, 2021, at Lancaster General Hospital. He was born in York, PA, the son of Luther and Cathleen (Sullivan) Mummert. Ed was married to Bonita L (Nixdorf) Mummert, his wife of fifty years.

After his service in the US Navy, he began his career in radio broadcasting but then went on to fulfill his dream of entering college to study philosophy. He graduated from Franklin & Marshall College, Class of '76. He then worked at GPU Nuclear as document control supervisor and retired from First Energy.

When not deep in thought or contemplating the bigger questions of life, he was engaged in making beautiful music. Ed was a gifted musician from an early age and played in many local bands over the years, the last gig being for eighteen years with Banjo Jimmy at Kitchen Kettle Village.

In addition to his wife, he is survived by his children, Edward Jr., Steven (Valerie), and Laura Steele; his brother, Dr. Kenneth Mummert and sister, Ginny Fitz; eleven grandchildren; thirteen great-grandchildren; and nephews. He was predeceased by a sister, Darlene.

A private service will be held at a later date.

“ *Bonita, the neighborhood lights are dimmer with the loss of Ed. He lives in our memory whether it be as we drink a cup at Starbucks, strum a guitar, or sit a table with our open laptop. He is remembered fondly.*

“ I worked with Ed and his document control staff (affectionally called the Mumettes) throughout the TMI-2 cleanup and Ed worked for me after I became TMI-2 Engineering Manager. Ed was a superb employee as I did not need to provide any direction and we never had any issues. He was an all around good guy.

“ Sorry about Ed's passing. I have known Ed for nearly 40 years. I first met him at Karl Thomas's Furniture warehouse jam in Craley. He and I would often jam there until midnight and were the last to leave. For the last 14 years we have jammed together nearly every Monday afternoon at my house. He was an excellent musician and friend. I miss him very much.

“ To Bonita and children, Ken, and Ginny,
Please accept my condolences on the passing of your husband,
father, and brother. I had the pleasure of playing guitars with Ed
when I first moved to Lancaster nearly thirty years ago. I have never
met a kinder, more thoughtful gentleman, and he brought those
qualities to his music, along with a simplicity and tastefulness that
inspired and pleased all who heard him play.
May your memories help to ease your grief at his passing; may
peace be on you all at this time and always.

*Dear Bonita,
I very sorry for your loss. Ed was a kind, intelligent, and thoughtful soul. We were musical friends in the past and shared many at night Mr Thomas's Thursday night jams in Craley. Hopefully, aside from "resting in peace", he will have a chance to play and sing a few tunes.*
