“ Grandma always had a smile, she was one of the sweetest ladies that we ever met. Thank you for teaching Bill how to make gravy. You and your family are always in our thoughts. Sleep tight Grandma.

“ To the family,
I had the privilege of being welcomed to the neighborhood on Huyard Avenue (New Holland) back in 1994 by your Mom/Grandmother (and Edgar). She was a kind, gentle, quiet, and classy woman who added grace to our neighborhood. Her home and flowers were always well kept but most of all I remember her kind eyes, her smile, and her love for each one of you. She was proud of you all. I have missed her and others as they have moved on from our little quiet street.
Will pray for all of you as you mourn the loss of her.

“ Lindenmuth & Schmidt families,
I never saw "Grandma" Florence without a gentle smile on her face, I never heard her speak an unkind word, and I always heard her speak of how much she loved, was proud of, and enjoyed every second with her family. She had a pure heart and was an angel here on Earth already, I can only imagine the joy she is sharing in Heaven. May the sorrow you feel now be less and less each day as you hold onto all of the beautiful memories and stories you can share about a wonderful and kind woman.
