“ *Paul & I send our love & sympathy to you, Rick & Harry, Hazel, 'little' Harry & Chris. Harry & Shirley were Good Friends. Not only was Shirley one of my Buffalo Gals, but Harry was my main man! We spent many hours with him rigging music for exhibitions & me dancing to "get it right!" Harry and Paul were brothers in Lamberton Lodge, being secretary when Paul was master! Yes very conscientious! We shared crab cake dinners, lucky dog wings, chocolate cupcakes.... many good memories with Harry, & Shirley! May he Rest In Peace with his forever best friend, Shirley.*

“ *I'm sorry to hear of Harry's passing. I had the pleasure of serving with Harry in Lamberton Lodge, both when I was Master and when I was Treasurer. Harry was always very conscientious in his work for the Lodge and also for Hamilton Watch. I know he received a lot of pleasure from his Masonic affiliation.*

“ *Rick and Harry*

Sorry to hear about your dad. Last time I saw him was when your mom and him went on a tour of Herr's chips with us. We enjoyed it very much. You both will be in my thoughts and prayers.

Dear Rick, and Harry and Hazel, I am so sorry for your loss. Some of my favorite memories growing up involve your family and my mine, fishing on the bay and fun times down on the island. Sending love to all.
