“ Dear Doug and Bill and families,
We are so sorry about your Mother's passing. She was a special lady. She was certainly an asset to the Hempfield Schol District. She loved her grandchildren very much. We always enjoyed being at HYA events and Hempfield High School athletic events with your parents. May your wonderful memories bring you peace.

“ Dear Bill and Doug, your mother was a great treasure to us at Hempfield. She was a wonderful woman who always had a kind word and smile for all . Whenever I was on her side of the building I always stopped in her office to visit because her joy and love of life was so contagious that I always found my self laughing. God bless and keep your mother.

“ Bill, Doug, and family;
Janet was truly one of the angels of Hempfield. Any time over the past 10 years that I went into the AD office, she always greeted me with a smile and warm laughter. Though we will never be able to replace her at the high school, her legacy of professionalism and compassion will live on forever. May the love she shared on earth continue to shine down on you from Heaven.

“ *To the Schultz Family.
My condolences to the whole family. Your mother was a lovely
person, friend and co-worker. I am so sorry I didn't get to visit her.
I only realized how sick she was when the secretaries got together
for lunch. I sent her a few cards. When the secretaries got together
for a meal every once in a while while we were a little bit younger -
we had an absolute wonderful time. Mrs. Mummaw and I were
going to go over to visit her and it just didn't happen. I have a
handicapped daughter myself, which she didn't have a very good
winter herself. So I guess God had better plans for her. Love and
god bless, Charlene Butzer - former secretary of Rohrerstown
School.*

“Mrs. Schultz was an amazing woman. She became an instant companion to myself and my friend Jen. We spent many study halls and lunches sitting and simply talking about our days. She often told us stories and showed us photographs of her sons, and grandchildren which she couldn't tell us enough of, she loved them so dearly. She became our mother figure at school, she was there for us to talk to, laugh with, and help us out with whatever the school day may have brought. She was a huge supporter of Hempfield's art programs and sports. She also was one of the people that backed up the mini thon kids no matter what. Which I was in all three, and she was always there for me. I was lucky to have the opportunity to have such an incredible, loving woman enter my life even if it for a short while, she still made big impacts. I know Mr. V and Mr. Mummaw will miss you getting them to do what they need to, Mr. Gerhart will miss you and your support, Hempfield will miss your great attitude and for me I'll still miss my daily visits and our sneaky candy drawer from you. Thank you for being such an incredible woman and being our Shultzzy.
Rest in peace
With love, Emily Pugliese
