“ We lived next to John for 8 years and just moved a month a ago. John helped us move out of our house and helped take down some things and fix some things in our home before we left. The last time we spent with him was on June 7th as he helped us and we thanked him for everything he has done for us and our family. He was such a kind man and a wonderful neighbor. He loved watching our kids grow and play outside! He was so nice to them and to my husband and I. My kids ask to go back and see Mr. John often. This was such a shock to us and he will be missed so much. He was the best next door neighbor a family could ask for. I will treasure the 8 years we knew him and his wonderful soul.
RIP Mr. John.
