

Keith Alan Millison

June 17, 2021

Keith Alan Millison, 81, went home to be with his Lord and Savior on Thursday, June 17, 2021 at home, surrounded by his family after a brief illness. He was born to Arthur D. Millison and Dorothy (Clark) Millison on February 26, 1940 in Takoma Park, MD.

He was the beloved husband of Mary Emily Bosley whom he married on June 9, 1961. They shared 60 wonderful years together.

He was the amazing father to two daughters and a proud “PopPop” to five grandsons and two great grandchildren. Daughter Karen (Keith) Thomas. Her sons are Tyler (Katie) Thomas, Bryan (Jessica) Thomas, and Kyle (Rebekah) Thomas. His beautiful great grandchildren are Aurora Thomas (2) and Elijah Thomas (6 weeks). Daughter Katherine (Les) Kimball. Her sons are Geoffrey Kimball and Matthew Kimball.

Keith began his career at IBM in 1961, as a graphic artist designing publications for the Federal Systems Division and, later, designing booths for trade shows. He retired from IBM after 30 years of service in 1991. In retirement, he enjoyed painting and selling his folk art at various craft shows and developed quite a following. He loved doing projects around the house, going to antique shops, visiting Williamsburg and spending time with his family and grandkids. He and Mary were at every high school and college

graduation, many birthdays, concerts, and sports events, every wedding, and many other family occasions.

Keith and Mary were members of Forcey Bible Church in Silver Spring, MD for over 50 years. He loved singing in the choir and was a member of "The Miscellaneous Men." They moved to Fishers, IN in 2014 and became members of Castlevue Church in Indianapolis. He was part of a fellowship group and a Saturday morning men's group. Keith enjoyed the friendships made and the Bible centered teaching.

He loved cats and enjoyed many through the years. Family and friends came to know and love his sense of humor and easygoing, kind demeanor. He enjoyed cars and watching sports. He loved a good cup of coffee, a donut and his easy chair. Keith lived his faith daily and was secure in his salvation through Christ's work on the cross and had the unshakeable hope of heaven. He leaves a beautiful spiritual legacy of love for God's Word and how to love your family to his children, grandchildren, and great-grandchildren.

Visitation will be on Tuesday, June 22 at 10:00 am at Castlevue Church, 8601 Hague Rd., Indianapolis, IN 46256, with a service to follow at 11:00 am.

“ *It has been a struggle to adequately attempt to express what the life of Keith Millison has meant to both Lane and myself. Keith met Lane in Junior High School in Washington, D.C. It was Keith and his cousin, Harley Husted, who invited Lane to come to church at Forcey Memorial -- and to be truthful, the only reason Lane came was to remain eligible to play basketball and baseball on the church teams; But it was the seed that Keith planted that ultimately introduced Lane to Jesus as his Savior. . . . AND it was there that Beverly met Lane. Throughout our entire married life, Keith and Mary have been constants in every respect -- constant in their precious friendship and constant in their reflection of Christ . Keith's speaking voice was soothing and calm, never sharp, contentious or harsh. . yet his singing voice was powerful! When Keith sang in church, it was truly from the depths of his heart. Like all who knew Keith, we were impressed with his artistic talents as well as his musical abilities -- truly gifted; but what we will remember most is his kindness, his smile, his joy, his humble demeanor, and his unwavering love for The Lord. Both Keith and Mary are spiritual giants and have been beloved role models for us. We will miss the sound of your voice, your sense of humor, your laugh, your gentle shared wisdom, and just being in your presence. We will miss you, Keith, each day as much as we did the day you left this Earth to your Forever Home. Mary, we will keep you in our prayers, calls, texts and try to offer whatever support & encouragement we can . . we love you dearly. Bev & Lane*

“ I always remember Keith's smile and gentle voice. I loved his style of art and wanted so much to purchase one of his original pieces but we never connected about a piece. He and Mary Emily were always such a faithful couple to be at reunions. I always loved seeing and visiting with them. I was dating Bob when I joined him and his parents to attend Mary Emily s and Keith's wedding.of course it was an exciting time. I got to know Aunt Mary and Uncle Joe. I remember how Keith liked cars. I always wanted to hear him sing. Maybe Mary Emily has a recording I can hear. Keith had many talents but was a humble, caring man with a nice sense of humor.
