“ *Mr Adams was the best of the best both as a teacher and a coach. As coach he enabled us to do more than we thought possible. I still use his saying, "When the going, the tough get going." To this day I remember his encouragement and his strong words of exaltation. I pray for his family and loved ones. CH (LTC) George Yates USAR (ret)*

“ I fondly remember Mr Adams as my high school math teacher. I didn't realize as a teenager he was only 10 years older than myself and classmates. We were the class of 1971. So sorry for the Adman's family loss.

“ Such fond memories of Ken. Played many softball games that he umpired. He was a stickler for the rules, and enforced them to the letter, but he was fair. I miss our yearly 3 day excursions to Hershey to watch the State Wrestling Tournament with Ken and Joyce. You will be missed.
