“ My Aunt Margie always greeted me with that beautiful smile of hers and she always made me feel special. She would let Denise and I come to Lancaster every summer and run around for two weeks. She had the patience of Job and the spirit of Love in her heart. You're really going to be missed enormously. RIP Auntie

“ *My condolences to the family- Ms Margaret as I affectionately called her in 1992-1993 when I was a teen mom at McCaskey High School- She took care of my daughter in the infant room while I attended school in my sophomore year! We loved her care, comfort and support! I often wondered if she was still local but I see she was loved by many! My thoughts and prayers are with you during this difficult time!*
