“ I will miss all of her stories, her smile, the way she made me laugh, and every time I saw her she would say “how are you doing kiddo?”. She will be missed tremendously and always remembered.

I'm so sorry to hear about Mid's passing. I worked with her husband Dave at Walmart. She and Dave were such kind souls. She would call me every now and then and I would send her cards on the holidays, birthdays and Mother's day. I have not heard from her in a while so I googled her name and saw her obituary. My deepest condolences to her family.
