“ To all the Lefever Family,

I was sadden to hear about the loss of your Mother. I know that she had been ill for some time, but we are never ready to lose our Mother or Father. I can only hope that she did not suffer and know that she is in a better place, in the hands of God. Growing up on Zarker Road with you all living right beside us, we all have such great memories of our early childhoods. Throughout the years our parents always kept in touch with each other. Their bond to each other was true and constant. Your Mom and ours were like two peas in a pod. I remember the 'coffee clutch' times when our mothers would take turns going to each others house while us kids raked havoc! Your Mom was a caring and brightly spirited woman. She was an exceptional person by example, a wonderful Mother and a loving Wife. You should all be so proud of her, as I was to know her. Please, accept our deepest regrets on behalf of my entire family. The Pixley's (Maureen, Susan, Tracy and Michael)

“ I am so sorry for the loss of your wonderful mother. I will always remember her warm welcoming smile. She was so proud of all her children and family meant everything to her. She was a good friend to mom and I would like to think they are reunited up in heaven and are having a blast! May her love & gentle kindness be with you always.
