“ *Pearl was my grammie my dad is Carey one of my best memories of Grammy is when I was very young and me and my sister Holly would be so bloated because Nascar would be on TV before dinner and Grammie used to sneak us. An entire jar of maraschino cherries that holly and I would eat out back at the picnic table before we had our dinner and pop pop would always act like he was sneaking us kids a 5 dollar bill and say don't tell grammie but when you would turn the corner into the kitchen grammie would be there smiling and always gave us a subtle wink I will miss you grammie.,...
