“ *My sister, Sally, brother, Rick, and I want you to know how much we enjoyed both your parents. They were wonderful friends to our parents, Dick and Betsy Lantz. I spent many Wednesday nights at the Barn Door with my parents and Roy and Lois. Roy's friendship was especially important to our father during his last few years. He was a kind, considerate and funny man. We like to think there is a huge Barn Door reunion going on in Heaven!*
