“ Sue’s smile could light up a room. I worked with her many years ago at the bank, but never forgot that smile. Upon recent reflection on my own life and people that made a difference in it, I thought of Sue Babec my teller manager at my first “real job”. She was a great coworker and though I didn’t know it at the time, a mentor, leader, and friend. I am saddened to see that the world will not see her smile again or that I can’t tell her in person that she did make a difference. I will continue to cherish the egg ornament that I carefully unwrap every Christmas that she generously gifted me, and know she is smiling down from heaven.

“ My sympathy to Sue's family with her passing. Sue was my teller manager at Citizens Bank when we moved back to Lancaster in 2007. Sue was a beautiful person and cared deeply for her customers. Loved her smile! Becky Rairigh

Amy and Mark I remember your Mother fondly. I loved being neighbors with your family many years ago when you were both younger, Playing cards!. I still have a beautiful Egg your Mother made for my son Adam when he was born. I hang it on our Christmas tree every year. I am hoping you can get through this rough time and remember all the love you shared with your Mother.
