“ Susi and I were neighbor/ friends and loved flowers, gardening, nature. We were "crazy garden ladies" and had so many backyard adventures. Sometimes, Bill and Pete would be outside talking and watch us digging, sweating and planting our newest treasures. One of them would say, "Just look at them! They have no idea what they're doing and next year you and I will have to dig everything up and move it"! We would go greenhouse hopping and always come home with a car full of plants. She decided we should hide our finds on my deck so the "boys" wouldn't know what we bought. It worked like a charm. Susi brought so much fun and laughter to my life. She was always the perfect hostess, had the biggest smile and was the best dressed person in the room! I am so blessed that she called me friend and shared her life with me.

“ I have a hole in my heart for Susi. We were best friends in high school and after graduation. She was a "pixie". Lots of fun. We shared many good times. Do to life we each had our lives to live. It seems like she had a good and happy life. Jeannie has kept me up to date on her well being. I send prayers to all family for peace.
Sincerely. Jean Ferguson Jones.
