“ I met Suzy in 2010 when I picked her up for a doctor's appointment. It was a day or 2 after a blizzard and she was waiting for me on the corner standing in a snow bank because her little street was blocked by a disabled car. Our "doctor dates" went on for more than 2 years and after that our friendship continued with cards and phone calls and visits when she moved to Country Meadows. She was a kind and thoughtful person, grateful for her friends and loving family. She loved the beach and as has been noted by others, she was especially fond of children. I'll miss her.

“ Suzy was an unusually kind and gentle person. She was always thinking of others. Suzy was a pleasure to be with especially during activities and events which she enjoyed so very much. Suzy will be missed by all who knew her but we are reassured knowing she is now in the arms of Jesus safe and well.

“ I worked at Country Meadows and had the pleasure of calling Suzy my friend. She would love to do arts and crafts with me and my co-worker, Eileen. She referred to us as “my girls”. She was always bright and cheery and as always, she made my day. God bless my dear friend. 💕💕🎈

“ Suzy, was a dear person and friend. I got to know her when I owned and ran the coffee shop at LGH when she worked there. After her Mom died my husband & I picked out a live Christmas tree for her every yr and put the lights on it for her because she loved Christmas! Then we she moved into the home I visited her quite often and took her coloring books because she loved them. I am so glad that I got to talk to her by phone and she knew who I was before she took a turn for the worse because we were moving. And so glad I got into see her right before she passed away. She recognized me but didn't talk too much so I was so glad to have gotten into see her before we moved 2 hrs away. She loved her family and that is what lead me to know her and how much she missed her Mom when I first bought the coffee shop! She was a good person and very sincere! She will be missed! Rest in peace now Suzy, you're with the good Lord and your Mom now in heaven!
