“ Dear Cindy,

I am so sorry for your loss. I cannot visit with you as I wanted to on Friday. I always thought of Tom as a great guy and the two of you a wonderful couple. My thoughts and prayers are with you and your family. You know sometimes growing older is so painful; I know you are a strong person and with your family and friends you will persevere. Also, I remember meeting the two of you many years ago at your great winery in the southern end. I have good memories too.

“ Dear Cindy,

There is no way that I can know the grief you are experiencing; I can only offer my sincere condolences on your loss of Tom. My recollection of Tom first came at the Armstrong gym at the research center and then his transporting me from BV to some UEF meetings.

My thoughts and prayers are with you.

“ Sorry to hear of this man's passing. At Armstrong he was considered reliable and knowledgeable. When I saw that Tom and Ken Wolfe were on my shift I was sure of good mechanical service. Outside of Armstrong he was ready for the good life. He lived the good life. Well done Tom. Blessing to the family
